REGISTRAR GENERAL

REPORT

The objections raised by various judicial officers against the provisional seniority list were duly considered and rejected for the following reasons.

1. The judgment of the Supreme Court in *All India Judges Association III vs. Union of India* [(2002) 4 SCC 247] was delivered in the year 2002 but the Andhra Pradesh State Judicial Service Rules, 2007 (the Rules of 2007), framed pursuant thereto, came into effect only from 01.01.2007, introducing for the first time a 40 point roster system for determination of seniority in the cadre of District Judges. The question of applying the roster prescribed thereunder from an earlier date therefore does not arise. This is in keeping with the observation of the Supreme Court in the above judgment to the effect that the proposed roster should be evolved for the future. Seniority of officers who were already in service prior to promulgation of these rules therefore stands protected. Their settled seniority cannot be unsettled by applying the Rules of 2007. Further, notifying the seniority of all District Judges appointed prior to and continuing as on 01.01.2007 by bringing them within the 40 point roster does not arise as the roster system was not in vogue before the Rules of 2007 and their seniority cannot now be disturbed by applying the new rules to them.

The roster points prescribed under the Rules of 2007 were applied from the year 2010 as no recruitment was undertaken during the years 2007, 2008 and 2009. No notifications were issued in the years 2008 and 2009 for recruitment to the posts of District Judges from any of the three permitted sources of recruitment. The only notification for direct recruitment issued in the year 2007 was cancelled. Therefore, the question of applying the roster system during those years does not arise.

The 40 point roster prescribed under the Rules of 2007 requires integration of District Judges appointed to the cadre from three different sources of recruitment. However, the date of appointment/joining cannot be determinative of their seniority as appointments under the same notification were effected at different points of time in relation to each source of recruitment during the same year because of litigation and other circumstances. An acceptable and consistent methodology to apply the roster is to take into account the year of initiation of the recruitment process from the three different sources of recruitment for filling up the roster slots so as to integrate the three categories of appointees.

The calendar year during which notifications in relation to the three sources of recruitment were issued therefore assumes importance for the purpose of applying the roster prescribed under the Rules of 2007. Integration of District Judges appointed from the three different sources can be logically effected basing on the year of their recruitment without reference to the date of their actual appointment/joining, in keeping with the judgments of the Supreme Court in *AFHQ/ISOs SOs (DP) Association vs. Union of India* [(2008) 3 SCC 331] and *Mukund Lal vs. Pritpal Singh* [(2012) 13 SCC 340]. Recruitment in that particular year is the basis for integrating those recruited from the three sources and for fixing their *inter se* seniority by applying the 40 point roster.

2. The provisional seniority list was prepared by integrating District Judges recruited from the three different sources of recruitment after 01.01.2007, basing on the roster points as prescribed in the Rules of 2007. Deficiency or irregularity in making appointments from a particular source of recruitment or even excess recruitment are not factors for consideration while fixing seniority of such District Judges, as they were already appointed to the cadre.

3. According to Rule 26 of the Rules of 2007, the rules which were applicable prior to 01.01.2007 alone applied to all appointments made or actions initiated prior to commencement of the new rules. Objections, to the effect that certain District Judges who were appointed to man the Fast Track Courts and subsequently regularized prior to the notification of the new rules were in excess of the cadre strength as on 01.01.2007, cannot be considered as all such appointments are deemed to have been saved and cannot be reopened, in terms of Rule 26. The 40 point roster is applicable only to the recruitment processes initiated on or after 01.01.2007 and appointments made pursuant thereto.

4. The roster prescribed under the Rules of 2007 cannot be applied to District Judges recruited pursuant to a notification issued long prior to 01.01.2007, but who were appointed thereafter (viz., the panel comprising Smt. C.Sumalatha and others), as the Rules of 2007 came into force only on 01.01.2007 and had no application to notifications issued before the said date, as at that point of time there were only two sources for recruitment and there was no roster system to integrate them for the purpose of fixing their *inter se* seniority. The *inter se* seniority of the above referred panel of District Judges was fixed vide G.O.Ms.No.14, Law (L.A. & J-SC.F) Department, dated 25.02.2016.

5. Gaps in the provisional seniority list are necessitated by the fact that though the prescribed roster points have to be applied, a District Judge cannot claim seniority from a date prior to his recruitment by virtue thereof. For example, notifications issued in the year 2010 only related to two sources of recruitment – direct recruitment and accelerated recruitment. Therefore, there is no possibility of filling the roster points reserved for recruitment by transfer, as that source of recruitment was not taken recourse to during that year. However, those recruited thereafter against the source of recruitment by transfer cannot

ask to be adjusted against the unfilled roster points of 2010 relating to that source of recruitment. This is in keeping with the law laid down in *Mukund Lal vs. Pritpal Singh* [(2012) 13 SCC 340].

6. The *inter se* merit ranking secured by District Judges shown in the provisional seniority list, be it in the process of direct recruitment or by accelerated recruitment, was duly protected while determining their seniority. This is in keeping with the judgment of the Supreme Court in *Bimlesh Tanwar vs. State of Haryana* [(2003) 5 SCC 604]. Government Orders were also issued accordingly fixing their *inter se* seniority. Ex., G.O.Ms.No. 16, Law (L.A.& J-SC.F) Department, dated 05.03.2016, relating to Sri Yadavalli Lakshmana Rao and others. Such *inter se* seniority amongst the District Judges appointed from a particular recruitment source, which was already decided basing on their *inter se* merit ranking, cannot be disturbed at this stage. The same *inter se* seniority was implemented while fixing their position in the 40 point roster and integrating them with District Judges appointed from the other two recruitment sources.

7. The judgments of the Supreme Court in *Nirmal Chandrasinha V/s. Union of India* [(2009) 14 SCC 29] and *Pavan Pratap Singh V/s. Reevan Singh* [(2011) 3 SCC 267] have no application to fixation of seniority of District Judges as their seniority was not fixed on the basis of notifications, but the year of recruitment was taken into account for integrating those recruited from the three sources of recruitment during that particular year.

8. Seniority was fixed basing on the slots allotted in the prescribed roster to appointees under the three sources of recruitment. For example, roster point Nos.1, 5, 9, 13, 17 and 21 are earmarked for direct recruitment. Twenty one direct recruits were appointed in the year 2010. *Inter se* seniority of the direct recruits was determined on their

inter se merit ranking. The slots meant for direct recruits of that year were filled up by direct recruits as per such *inter se* seniority. Therefore, their date of actual appointment or joining has no impact upon an appointee under the source of accelerated recruitment.

9. Seniority and conditions of service of an appointee by accelerated recruitment will be regulated accordingly. Therefore, such a District Judge will be fixed in the appropriate roster slot meant for an appointee under accelerated recruitment and he/she cannot be adjusted in a roster slot meant for recruitment by transfer.

10. The notified seniority list provisionally determined the *inter se* seniority of District Judges at the entry level. Fixation of such *inter se* seniority is based on the 40 point roster prescribed in the Rules of 2007. Determination of seniority at the entry level is entirely different from eligibility for further promotion, which may be based on different and diverse criteria.

11. The *Adhoc* Rule framed by the Government *vide* G.O.Ms.No.607, General Administration (Ser.A) Department, dated 06.11.1992 and the clarifications issued thereon by the Government *vide* Circular Memo No.16/Services-A/93-39 dated 21.04.1999 have no application to judicial services which are governed by the Rules of 2007.

12. The power of relaxation under Rule 26 of the Rules of 2007 cannot be pressed into service for the purpose of setting at naught the 40 point roster prescribed thereunder and it would also violate the mandate of the Supreme Court in *All India Judges Association III vs. Union of India* [(2002) 4 SCC 247].

13. Recruitment on regular basis is taken into consideration for fixation of seniority by allotment against the relevant roster point earmarked for that source of recruitment. As long as the substantive appointment is not varied, there cannot be a claim for retrospective

seniority. *Adhoc* service cannot be counted for determination of seniority. All the more so, when the substantive appointment was against the source of direct recruitment. In the year 2012, three regular notifications were issued in relation to the three sources of recruitment to the posts of District Judges. In addition thereto, as per the judgment of the Supreme Court in *Brij Mohan Lal vs. Union of India* [(2012) 6 SCC 502], with regard to regularization of the services of Fast Track Court District Judges, a separate notification was issued. The direct recruits were placed over and above the Fast Track Court District Judges, whose services were regularized, keeping in mind the fact that their source of recruitment was in addition to the recognized three sources of recruitment under the rules and the service rendered by them prior to regularization was *adhoc* in nature. Their initial appointment was also subject to the rider that they would lay no claim for regularization of their services and *Brij Mohan Lal vs. Union of India* [(2012) 6 SCC 502] is silent on any benefit of their past service being given to them. Also, see *Debabrata Dash vs. Jatindra Prasad Das* [(2013) 3 SCC 658].

Further, such Fast Track Court District Judges cannot count their past service as their very appointment in 2003 was without any benefits in terms of regular service and they were not part of the mainstream. The old Rules therefore had no application to them.

14. The 29 District Judges referred to in the High Court's Notification dated 02.05.2008 were all appointed as District Judges Grade-II under various Government Orders - G.O.Rt.Nos.577 dated 31.03.2004, 1161 dated 06.07.2004, 823 dated 29.04.2005, 1222 dated 06.07.2005, 2024 dated 06.12.2005 and 923 dated 30.06.2006. At the time of their appointment, they were all posted in Fast Track Courts and only in the year 2008, under the aforesaid notification, they were posted to regular District Courts. Their appointment as District Judges

was therefore long prior to the advent of the Rules of 2007 and the question of including them in the provisional seniority list by applying the roster prescribed thereunder does not arise.

15. Complaints that recruitment notifications were not issued properly, that appointments were not made in accordance with the rules, that vacancies were underreported and that appointments were made without vacancies being available, do not figure for consideration while deciding the *inter se* seniority of District Judges already appointed to the cadre.

16. As per Note 5 appended to the provisional seniority list, seniority of Sri V.Nageswar Rao, Sri N.Ananda Rao and Sri D.Sardar Mohan Rao, was fixed as per the relevant Government Orders. Unless those similarly situated also approach the authorities and secure such orders, the question of protecting their alleged seniority does not arise.

17. Under G.O.Ms.No.118, Law (LA&J-SC.F) Department, dated 11.09.2013, 63 officers were recruited by transfer under the 65% quota. Therefore, while fixing their seniority in the 40 point roster, they were shown against the roster points reserved for recruitment by transfer category. They can have no claim of seniority against those who were appointed against the accelerated recruitment quota.

18. The amendment made to Rule 7 of the Rules of 2007 under G.O.Ms.No.49, Law (LA&J-Home-Courts-C) Department, dated 23.05.2013, made reservations in favour of Scheduled Castes and Scheduled Tribes applicable to recruitment by transfer. However, unless promotions are actually effected in terms of this amended rule, no candidate can aspire for seniority in terms of such reservation policy. The year of recruitment, as it stands, would be determinative of the position of such an appointee from the recruitment by transfer category in the seniority list in terms of the prescribed 40 point roster.

The cases of the following four judicial officers were considered separately for fixation of their seniority as they were involved in disciplinary proceedings at the relevant point of time:

1. K.VENKATESWARLU

In the Administrative Committee meeting held on 21.08.2013 to consider promotion of Senior Civil Judges as District Judges (Entry Level) under 65% quota, the result of this officer's selection was kept in a sealed cover as he was facing disciplinary proceedings.

The officer was thereafter imposed with the punishment of 'Censure', vide proceedings in Roc No.163/2012/Vigilance dated 21.12.2013.

Upon the representation of the officer seeking review of the said punishment, the Administrative Committee resolved that the punishment of 'Censure' would stand expunged after a period of one year.

The officer was promoted with effect from 21.12.2014, i.e., after completion of one year from 21.12.2013. In the meanwhile, the other officers who were considered for promotion along with him were promoted.

As the officer was suffering the currency of the punishment till 21.12.2014 and his order of promotion was given effect only from 21.12.2014, he cannot be shown in the seniority list above the officers promoted earlier than 21.12.2014.

2. RAJA PRASAD BABU

In the Administrative Committee meeting held on 21.08.2013 to consider promotion of Senior Civil Judges as District Judges (Entry Level) under 65% quota, the result of this officer's selection was kept in a sealed cover as he was facing disciplinary proceedings. Vide proceedings in Roc No.1588/2012-Vigilance Cell dated 06.09.2014, the officer was

administered a warning. In the meeting of the Administrative Committee held on 18.02.2015, the sealed cover was opened and as the officer was found suitable for promotion, he was recommended to be promoted on par with his juniors. His name was accordingly included in the promotions list below Sri B.S.Jagjivan Kumar.

Thus, the officer is placed in the seniority list of District Judges (Entry Level) Cadre below Sri B.S.Jagjivan Kumar.

3. M.KRISHNAPPA

In the Administrative Committee meeting held on 21.08.2013 to consider promotion of Senior Civil Judges as District Judges (Entry Level) under 65% quota, the selection result of this officer was kept in a sealed cover as the officer was facing disciplinary proceedings. However, vide proceedings in Roc No.1032/2010-Vigilance Cell dated 11.11.2014, the disciplinary proceedings were dropped. The Administrative Committee, in the meeting held on 18.10.2015, opened the sealed cover and found that the officer was suitable for promotion. He was accordingly recommended for promotion on par with his juniors. In the order of promotion, he was placed below Sri P.S.P.Chiranjeeva Rao and above Smt. G.Swarnalatha.

The officer is therefore placed in the seniority list below Sri P.S.P.Chiranjeeva Rao and above Smt. G.Swarnalatha.

4. DR.CH.NIRMALA K.R.DAYAVATHI

The officer was dismissed from service, vide G.O.Ms.No.23 dated 09.03.2010. Upon exoneration of all charges, she was reinstated in service, vide G.O.Ms.No.62 dated 23.05.2015, and was granted all service benefits, including continuity of service. If the officer had continued in service, she would have been eligible for promotion in the year 2014. As

she was found suitable for such promotion, she was promoted as a District Judge (Entry Level). Her immediate senior in the seniority list of Senior Civil Judges was Sri S.Venkateswara Prasad. Thus, she is placed in the seniority list below Sri S.Venkateswara Prasad and above Sri A.Pardhasarathi.

In consequence, the placement assigned to Sri K.Venkateswarlu in the provisional seniority list holds good. As regards Sri Raja Prasad Babu, Sri M.Krishnappa and Dr.Ch.Nirmala K.R.Dayavathi, their names have been shown at appropriate places in the seniority list, by reassigning the respective placements of other officers appointed thereafter under the 65% promotion quota.
